SHIFTING THE LIMITS

FRONIUS SOLAR.WEB APP

/ The convenient app for the easy viewing of PV system data
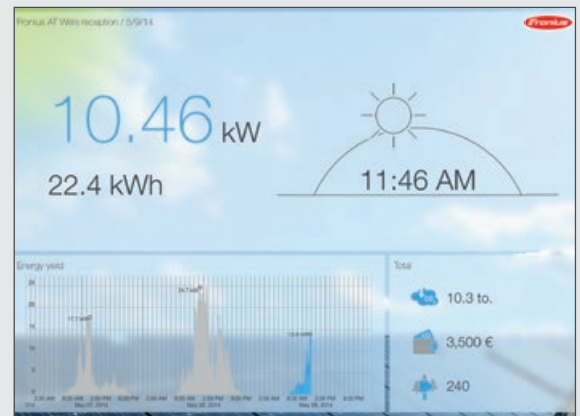

/ The Fronius Solar.web App is the mobile version of the online service. Simply install the app on your iPhone, iPod touch, iPad, Android smartphone or tablet, or Windows Smartphone and have the energy yields of your PV system constantly at hand. Both up-to-date system production data and historical values can be displayed. Use the Fronius demo systems for a sneak peek at what the application can do. Thanks to the start-up wizard, registering the PV system in Fronius Solar.web is simple and intuitive using the app itself.

FRONIUS SOLAR.WEB LIVE

Everything at a glance - the free Fronius Solar.web Live App provides you with a quick and simple overview of the latest data from your PV system.

The functions at a glance:
/ Clear presentation of current values and production curve
/ Archive data from the last 5 days
/ Intuitive, simple operation
/ Display of total PV system values

FRONIUS SOLAR.WEB PRO

Available to purchase for a one-off fee, the Fronius Solar.web Pro App also allows mobile access to up-to-date historical data. Since several systems can be registered, you can view them all at any time using a single login.

Additional functions of the Pro version:
/ Professional display and comparison of several PV systems
/ Clear presentation of current values and archive
/ Additional PV system information
/ Comprehensive self-consumption analysis
/ Visualisation and analysis of energy-storage systems
/ Support for Apple Watch

Available on the **App Store**

ANDROID APP ON **Google play**

/ Windows 8.1 and higher

/ Fronius Solar.web for Apple itunes

/ Fronius Solar.web for Google Play

/ Fronius Solar.web for Windows Smartphone

/ Perfect Welding / Solar Energy / Perfect Charging

WE HAVE THREE DIVISIONS AND ONE PASSION: SHIFTING THE LIMITS OF POSSIBILITY.

/ Whether welding technology, photovoltaics or battery charging technology – our goal is clearly defined: to be the innovation leader. With around 3,300 employees worldwide, we shift the limits of what's possible - our record of over 900 granted patents is testimony to this. While others progress step by step, we innovate in leaps and bounds. Just as we've always done. The responsible use of our resources forms the basis of our corporate policy.
